Description

The perfect business for the creative personality! Whether you need to fully stage a vacant house or supplement a few items in an owner-occupied home, this established owner operated staging company has the furniture and accessory inventory to stage 30–40 homes making them photo ready for selling/showing. The owner is hands-on designing rooms, managing the day, and keeping clients happy, with 2–3 part-time helpers.The warehouse is a 5,500 sq. ft. space, 3,500 sq. ft. on the main floor and 2,000 sq. ft. upstairs making it a breeze to organize the inventory and easily pull everything you need to design a room while actually enjoying the creative side of the work. Rent is $5,600 a month. The lease runs through March 2028, the landlord is happy to renew the lease.If you thrive in a creative, fast-paced environment this is for you!The relationships, the inventory, and the rhythm of the work are already in place, allowing you to step into this business and make it your own!NDA Required for details.
